

SPONSORSHIP

Join the movement to build awareness, understanding, access and development of neurotechnology for person with neurological diseases and disorders. We help people with neurological conditions to ease the burden of disability, increase their quality of life and live with confidence and independence.

BENEFITS

Corporate sponsorship is an annual commitment to support the efforts of Neurotech Network and also has the following benefits:

- Corporate logo featured on the Neurotech Network website with links to your site.
- Recognition in *The Current* newsletter which has a targeted distribution to the health care industry, medical professionals and the disability community.
- A choice of two white papers from Neurotech Reports.
- Eligibility to participate on Neurotech Network's committees and panels.
- Discount of 20% on Special Event sponsorship and outreach appearances.

COMMITMENT

Join us by making an annual commitment to our cause and reap the benefits listed above.
